Time to Get InSpired... Spire Denver Finally Launching

Looks like the folks at Spire are having an official launch party on Wed, Mar. 11th. I am not sure at this point if this is open to the public or if this will be a Broker only preview. Once I get the invitation I should know more.

The ad reads "Save the Date for [...]"

360dwellings.com Launches

This Blog is Sponsored by Blue Host premium Web Hosting Solutions

Posted by Ryan Penn, Denver Real Estate Consultant. Dec. 18th, 2008

I have been hard at work building my new web site, www.360dwellings.com and I am proud to finally officially launch what I think is Denver's finest Real Estate web site for finding properties. Here are some [...]

Golden Age To Purchase A Home

This article was published in the NY Times yesterday and really sums up what I have been thinking now for the last month. This is just such an amazing time to buy a home in Denver, especially for first time home buyer's.

If you are interested in purchasing a home, but hesitating for any reason, please [...]

Marketing to start in 2009 for Spire project

The Spire Building is a gorgeous high rise project being constructed in downtown Denver at 14th & Champa. Below are some of the project details:

\$175,000,000 high-rise residential condominium project.

41 stories (483 feet high) and 503 homes (714 bedrooms).

Economic Stimulus Bill: Impact on Denver Real Estate

 No Comments »

OK, so the Stimulus Bill still needs to get passed by the Senate, but I would be really surprised if it doesn't. The biggest news is for first time home buyers. They passed a REAL tax credit, \$8,000 and it doesn't have to be paid back. This is great news for anyone buying Denver Real Estate [...]

12 Unique Denver Photos

 No Comments »

One of my passions in life is photography. There's just something about capturing a unique scene or portrait in a way that others haven't. There are some great local photographers here in Denver, and you can see some great images of Denver on flickr. So without further ado, here are my favorite images of Denver.

First Time Home Buyer Seminar at Fadó Irish Pub - Feb. 18th @ 6:30

 1 Comment »

There may never be a better time to purchase a home in Denver. Houses are devalued, interest rates are at an all time low, and sellers are motivated. I will be hosting a Home Buying Seminar on Wed, Feb 18th at 6:30 PM in Downtown at Denver Fadó Irish Pub. This down [...]

Home Moving Made Easy - Top Tips for an Easier Relocation

 No Comments »

This is a guest post by Brandon Cornett
Homeowners in the United States sell their homes and move, on average, every five to seven years. That's a lot of moving, and it can be a stressful time for anyone. But by preparing for your next move, you can greatly reduce the stress involved and

Spire will be one of the tallest residential buildings in the Western United States.
Spire is the first new [...]

ULI ranks Denver among top 10 real estate markets
More great news regarding the Denver Real Estate Market. The following study was conducted by the Urban Land Institute which is a non-profit organization that studies Real Estate trends. Denver didn't crack the top 5, but hey, the top 10 isn't to shabby!
Denver Business Journal
November 3, 2008
The Urban Land Institute named metro Denver one of [...]

CultureHaus Banner Event: The Art of Sculpture - Sat, Feb 7th

2 Comments »

The brokerage I work for, Buildings & Residences of Denver is the platinum sponsor at an upcoming CultureHaus event. CH is a great organization and this is always a fantastic event. Make sure to get your tickets soon as this event did sell out last year.

Celebrate with CultureHaus at our Banner Event of the Year! [...]

Spire Denver Cam

No Comments »

Posted by Ryan Penn, Denver Real Estate Consultant, Jan. 20th, 2009
I didn't notice this the first time I was at spiredenver.com. They have a construction cam showing real time progress of the construction of the Spire Building

You can check out the cam directly here: [Spire Denver Construction Cam](#)
Still no word on when we are going [...]

Denver Real Estate Holding It's Value - Investors Coming!

No Comments »

Posted by Ryan Penn, Denver Realtor, Jan. 15th, 2009
Below is an interesting article that was printed today in the Rocky Mountain News. Compared to other markets, Denver homes are holding their value better.

"Home prices in the Denver-Aurora metropolitan area have less than a 1 percent chance of declining in value during the next two years, [...]"

Denver Real Estate Blogs

No Comments »

Posted by Ryan Penn, Denver Realtor, Jan. 12th, 2009
Real Estate blogs are becoming increasingly important for those who are buying and selling homes in the Denver area. They have become such a great resource for headline news, links to newspaper articles, Real Estate market trends, and advice on things ranging from home staging to curb [...]
